

NetworkRinterface::predict

```
graph LR; RCPP_MODULE[RCPP_MODULE] --> NetworkRinterface[NetworkRinterface::predict];
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text **NetworkRinterface::predict**. On the right, a white rectangular box contains the text **RCPP_MODULE**. A blue arrow points from the **RCPP_MODULE** box to the **NetworkRinterface::predict** box, indicating that the RCPP_MODULE is calling the predict function of the NetworkRinterface class.

RCPP_MODULE
