

Neuron::show

```
graph LR; A[Neuron::show] --> B[Neuron::getId]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'Neuron::show'. The right box is white with a black border and contains the text 'Neuron::getId'. A dark blue arrow points from the right side of the left box to the left side of the right box.

Neuron::getId
