

**NetworkRinterface::createFeedForwardNetwork**

```
graph LR; RCPP_MODULE[RCPP_MODULE] --> createFeedForwardNetwork[NetworkRinterface::createFeedForwardNetwork];
```

A diagram showing a call from RCPP\_MODULE to NetworkRinterface::createFeedForwardNetwork. The RCPP\_MODULE box is white with a black border, and the NetworkRinterface::createFeedForwardNetwork box is gray with a black border. A blue arrow points from the RCPP\_MODULE box to the NetworkRinterface::createFeedForwardNetwork box.

**RCPP\_MODULE**
