

Con::setWidth

```
graph LR; A[Con::setWidth] --> B[Con::weight]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'Con::setWidth'. The right box is white with a black border and contains the text 'Con::weight'. A blue arrow points from the right side of the gray box to the left side of the white box.

Con::weight
