

*VecCon::setWidth*

```
graph LR; A[VecCon::setWidth] --> B[Container< Con >::size];
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text *VecCon::setWidth*. The right box has a white fill and a black border, containing the text *Container< Con >::size*.

*Container< Con >::size*
